Rocky Top BBQ Co is proud to offer our customers local, farm raised beef and pork options as an extension of our menu. We encourage supporting local farms and business as we all grow together. The Naked Pig is located in Oakboro, NC where it has been owned and operated by the Hatley family for 4 generations. All of their meat is mystery free and allowed to roam freely on their farms. What does this mean to you? Flavorful, tender, mystery free meat for you and your guests. Please let us know if you are interested in this option as pricing is separate than what is represented on our menu.
